The Award Vest

Follow these guidelines for arranging badges on an award vest.

Front of the Vest

Attach each badge in the order it is earned, starting with position 10. Do your best to keep your badges in a straight row. A well-covered vest is a testimony of your work to serve the Lord!

Back of the Vest

The first Sunday School Faithfulness Badge and the Above and Beyond Badge earned should be placed in positions 26 and 27. Any additional Sunday School Faithfulness and Above and Beyond badges earned can be placed on the back of the vest.

Any badges that are earned from the Additional Badges Sections found in the back of the books, should be placed on the back of the vest. Place the first badge in the middle of the vest one inch from the bottom seam. Future badges may be added to either side.

Competition Badges. Badges that can be earned from Regionals, Mailbox Contests, and other special events should also go on the back of the vest.
